

Old Sacramento is a national historic landmark overflowing with things to see and do. These 28 acres on the Sacramento River's historic waterfront were the site of the founding of the Transcontinental Railroad, the terminus of the Pony Express, and the home of California's first thriving business district, fueled by gold, agriculture and the river. Old Sacramento lives on as a thriving shopping and entertainment district as well as a global tourist destination.

Enjoy a narrated one-hour cruise along the Sacramento River and then a dinner at the famous *Joe's Crab Shack* followed by visits to the many shops and sights within the original Old Town Sacramento. Cost is \$65 per person to cover air-conditioned coach service, a one-hour river cruise, and a meal chosen by you from a special menu offered by Joe's Crab Shack, situated along the Sacramento River in Old Town Sacramento. The outing begins with departure at 5:00 p.m. returning by 10:00 p.m.
