

2018 ADTSEA Conference Call for Papers

ADTSEA Presenter Policy – All presentation proposals shall be submitted by email to office@adtsea.org *no later than March 30, 2018*. Presentations marketing or selling products or services shall not be considered. Presentation topics may not be changed without prior written approval from ADTSEA. Presenters are expected to give a professional high-quality presentation relating to Driver Education and Traffic Safety topic areas listed on page 2. Presenters need to follow the *ADTSEA Presenter/Presentation Guidelines* that can be found at www.adtsea.org

Presentations shall allow for participant interaction, stay on schedule and provide a minimum of 15 minutes at the end for participant questions. ADTSEA does not provide honorariums or travel expenses for presenters.

Presenters shall submit their final presentation electronically to the ADTSEA at office@adtsea.org a minimum of 10 working days prior to the conference. Presenters shall notify ADTSEA at office@adtsea.org as soon as possible if they are unable to do their presentation at the ADTSEA conference. These presenters may identify a replacement and submit the replacement's bio. ADTSEA will notify the original presenter and replacement if the change was accepted.

Presentation handouts are the responsibility of the presenter. ADTSEA will not duplicate presentation materials. ADTSEA reserves the right to duplicate, distribute and post to the ADTSEA web page all presentations.

I have read and understand the ADTSEA Presenter Policy and agree to comply and follow them if selected to make a presentation at the 2018 ADTSEA Conference.
