Gary Scott-Secretary Treasurer

Still living the DREAM. Teaching Driver Education in Kansas. Blessed to be a teacher and especially Driver Education. So many people who have helped me with insight on teaching skills and treatment of students. ADTSEA is truly a special organization. Blessed to be a member and on the ADTSEA Board. Appreciate all the support given to me and my family throughout the years from the wonderful ADTSEA members.

Cathy Broderick, VT – North East Board

I graduated from Bemidji State College in Bemidji, Minnesota. After graduation, I moved to Vermont. I started teaching 3, 4 grades and Junior High School mathematics. My interest in Driver Education started when I took a motorcycle safety course from a driver education teacher. I completed my Driver Education courses in 1983 from Norwich University in Northfield, Vermont. I have been a member of VDTSEA and ADTSEA since 1984.

VDTSEA: Served 2 terms as president

ADTSEA: Board member for 2 terms and President in Raleigh, North Carolina.

I taught motorcycle safety courses for 20 years. It has been great to take a week off from work in July to ride to the ADTSEA conferences with Nancy Andrus.

I retired from full time Driver Education Instructor to part time, along with driving a school bus route am/pm and sports trips on Saturdays.

I look forward to seeing you in Burlington, Vermont for the ADTSEA Conference in July.

Micheal Davidson, HI – Southwest Board

For the past 39 years, I have served as a teacher and counselor for students in grades PK-12. I started my first three years as a teacher at Tahlequah High School in Oklahoma, where I taught History. Then for the next five years, I was a teacher at Kaimuki Community Private Preschool.

Then I worked as a counselor for the Department of Education at various schools. Currently, I work as a counselor at Mokulele Elementary School. I am proud to say that I have been the counselor for Mokulele Elementary School for the past 33 years.

Along with counseling, I am the advisor for the Junior Police Officer (JPO) program at our school. JPO students are in charge of raising the flag in the morning and lowering the flag after school. JPO students

also act as crossing guards in the morning and in the afternoon. The JPO students help other students get safely to school and return safely back home.

I have also been involved in driver's education for the last 5 years. I have participated in driver's education training in Seattle. I have attended the ADTSEA Conferences in Portland, Oregon and Chicago, Illinois. I have enjoyed my involvement in all of these activities and feel I can help make a difference as an elected Board Member from Hawaii.
