

Cathy Broderick

President Elect

I was born in St. Cloud, Minnesota. My family moved to Warroad and then to St. Paul, Minnesota. I graduated from Murray High School. I attended college at Bemidji State University in Bemidji, Minnesota. I graduated with a BS in Elementary Education and minor in Mathematics. I received my MA in Counseling/Psychology with Lesley College in Cambridge, MA.

I started my teaching career as a fourth grade teacher in Vermont. After 4 years of teaching I stayed home raising my daughter and running the farm. While farming I started to drive school bus, which I continued until I returned to teaching full time. Upon returning to full time teaching, I was teaching Junior High School Mathematics until I was certified to teach Driver Education. I combined teaching Driver Education with Algebra, Social Studies and Athletic Director. I retired from Athletic Director and teaching this past June, but I continued my private driving school. To me certifications I added teaching Motorcycle Safety courses.

I have been and ADTSEA, VDTSEA and NETSEA member since 1984. Since becoming a member I have spoken at the conferences on Parent Involvement, Student Self Awareness and Motorcycle Safety.

I have served 2 terms as President Elect and President with VDTSEA. I received the following awards; Teacher of the Year, Jay Curtis and Lindsay Townsend Award. I have been a Board Member for NETSEA since 2004 and Board of Directors for ADTSEA since 2007.

Hope to see you in Appleton, Wisconsin. As professionals we can make a difference!
