

# ADTSEA

American Driver & Traffic Safety Education Association

## Driver Education Virtual Learning Tools and Resources

Below is a list of various services that may assist to provide distance learning alternatives for driver education. Please note that ADTSEA provides this list for informational purposes only; no endorsement by ADTSEA is implied.

Costs for use of these programs vary: some are free of charge, are free for an introductory period, or have fees for services. Educators and managers are encouraged do their own research to determine the best option for their course or program.

The above logo within the source box indicates that the source is from an ADTSEA Member.

## Virtual Meeting Spaces (e.g., webinars)
