They are the most interactive zoo in Kansas and possibly the region with 6 feedings stations, 2 animal rides, and 1 other walk-through exhibit. They feature the only interactive Lemur Island in the United States. In addition, Tanganyika is home to one of the largest collections of clouded leopards in the world and the largest collection of snow leopards in the United States.

## **MidAmerican All Indian Center**

[www.theindiancenter.org](http://www.theindiancenter.org)

The Mid-America All-Indian Center (MAAIC) is a unique cultural facility located on the shores of the Arkansas River in downtown Wichita, Kansas. Visitors from around the globe pass through our doors to learn about the American Indians. Established in 1969, the goal of the MAAIC is to educate the community about the tradition and heritage of American Indian people while recognizing the important role they play in today's society.
